Hull Material	GRP
Engine	1 x Yanmar, 110hp
Builder	Beneteau
Designer	Roberto Biscontin
Accommodation	6 berths in 3 cabins; 1 crew in 1 cabin

BROKER'S COMMENTS

Lovely example of a Beneteau Oceanis Yacht 54. A relatively young yacht, FIORELLA II has been subject to only light and obviously careful use and presents very well indeed.

A superb set-up for comfortable, safe, and fun family cruising, although she could happily be pressed into longer-distance duties. Powered winches render the sail plan easily managed, while the fantastically social and well laid-out cockpit area benefits from a fixed targa arch, keeping the mainsheet out of the cockpit and providing excellent shelter through its connection to the sprayhood. She is also equipped with a comprehensive B&G instrumentation package.

Stepping below decks, she is bright, airy and exudes modern, clean lines and muted colours. She is very smart throughout. The spacious three-cabin layout includes additional accommodation for crew or guests in the bow. The well-stocked galley offers plenty of refrigeration.

With generator, heating, and air conditioning, she lacks nothing for comfortable cruising.
