Beam	10’6” / 3.24m
Draft	3’5” / 1.06m
Hull Material	GRP
Engines	3 x Mercruiser (Petrol), 350hp
Builder	Custom Tenders, Italy

BROKER'S COMMENTS

Awesome-looking beast of a tender from Custom Tenders. Triple petrol Mercruisers from 2016 supply the horses – hardly run in - and an effortless fast cruise at 40 knots. Lying in Italy and ready to prowl!

OWNER'S COMMENTS

We had amazing days with her as a maxi tender and a day cruiser. She is fast, with low consumption and an impressive hull that allow her outstanding performance with all sea conditions.

In 2016 the boat has been treated with a full refit that has given her improved performance thanks to the brand new engines. She has always been professionally maintained and is ready for her next owner.

CONSTRUCTION

RCD Status: Our understanding is that the yacht is exempt from the essential safety requirements of Directive 94/25EC (Recreational Craft Directive) as she was built and placed into use within the EU prior to 1998.

Hull, Deck & Superstructure Construction:

- Hand-laid moulded fibreglass hull, main deck, and radar hoop.
- Hull topsides in white gelcoat, superstructure in white gelcoat.
- Exterior fastenings in stainless steel.
- Protective foam collar fastened around hull - trimmed in sand fabric.
- Teak-laid side decks, bathing platform, foredeck and aft cockpit.
- Stainless steel aft closure door to companionway in lieu of standard.
- White-painted T-top supports.

MACHINERY

Engine & Gearboxes:

- 3 x Mercruiser MCM 6.2 Litre petrol inboard engines (2016) – 3 x 350HP rated at 5400 RPM.
- C. 75 hours run at April 2018.
- 46 knots top speed, 30 knot cruise, fuel consumption c.120 l/hour.
- Mercruiser VesselView 7 engine display.

Maintenance & Performance:

- Hydraulic steering – sports wheel to console.
- Mercruiser electronic throttles.
- Bennett electro-hydraulic trim tabs.

ELECTRICAL SYSTEMS

Voltage Systems:

- 12V ships system.

Battery Banks:

- 2 x engine starting batteries.
- Service batteries.
