Accommodation	6 berths in 2 cabins & saloon

BROKER'S COMMENTS

The Najad 440 AC is an elegant and highly capable cruising yacht that successfully combines classic Scandinavian quality with modern design, excellent sailing performance and sophisticated engineering. As the first model of Najad's new generation, developed approx. 2005, she remains one of the most sought-after premium cruising yachts in her class, offering a rare combination of performance, comfort and timeless design.

Below deck, the Najad 440 showcases the exceptional build quality and attention to detail for which Najad has become world renowned. Beautifully handcrafted mahogany joinery, abundant natural light, generous storage, and a thoughtfully designed interior layout create a warm and inviting atmosphere.

The interior layout features two aft guest cabins and a spacious forward owner's cabin with an en-suite head with shower. Adjacent to the companionway, the well-appointed galley is located to port, while a large guest head with shower is situated to starboard. The bright and comfortable saloon offers a C-shaped settee, two armchairs, and a dedicated navigation station.

Everywhere on board, the yacht reflects Najad's uncompromising construction standards, from robust deck hardware and wide, secure side decks to premium materials and impeccable craftsmanship. Every detail demonstrates Najad's commitment to building yachts capable of crossing oceans while providing exceptional onboard comfort.

Outside the Najad 440 AC offers a large cockpit which is one of the model's defining features. Twin steering wheels provide excellent visibility from the helm, outstanding ergonomics, and easy movement throughout the cockpit. The generous seating comfortably accommodates both family and guests, while all essential sail controls are led aft for safe and convenient handling, even when sailing short-handed. The integrated bathing platform further enhances comfort while swimming or relaxing in harbor.

This specific Najad 440 AC, TINTOMARA is equipped with an electric in-mast furling mainsail system with a synchronized electric outhaul winch, complemented by cruising laminate sails. She is also equipped with both a gennaker and a Code 0 for enhanced downwind and light-air performance.

TINTOMARA has always been Swedish-owned and is Swedish-registered. Her current owners have cruised in the Mediterranean over the past several years and have been thoroughly satisfied with the yacht's performance, comfort and quality.

If you are looking for a beautifully built, capable cruising yacht that is already located in the Mediterranean and ready for her next adventure, TINTOMARA could well be the perfect yacht for you.

- Electronic controls at both helm stations.
- Fuel prefilter (Vetus) – 2023.
- Sail drive seal and below – 2022.

Maintenance & Performance:

- Engine serviced annually.
- Sail drive seal – 2022.
- Turbo, exhaust elbow and muffler – 2023.

Propulsion & Steering:

- Bow thruster.
- 3-blade folding propeller.
- 2 x Steering wheels, stainless steel.
- Steering wheels covered with skin.

ELECTRICAL SYSTEMS

Voltage Systems:

- 12V.
- 24V.

- 230V.

Battery Banks:

- 6 x Service batteries (AGM): 24 V / 285 Ah – 2023.
- Lithium LPF battery + bms 24V/160 Ah, connected only via DC-DC chargers.
- Engine start battery 12V / 75Ah.

Battery Chargers:

- Inverter / Battery charger 24V / 1500W / 230V / 60A.
- DC-DC charger (for the Lithium battery).
- Solar panel 300 W.
- 2 x Solar panels 150W (2 x 75W).

Alternators:

- Alternator 12V / 70A.
- Alternator 24V / 80A.

Shore Power:

- 230 V shore power system, ground fault circuit breaker, fuse box and shore power cable.
- Isolation transformer 3500 kVA.

Other electrics:

- 5 x USB outlets.
- 230V outlets in all cabins.

PLUMBING SYSTEMS

Fresh Water & Water Heating System:

- Pressurized hot and cold water system.
- Hot water boiler 40L.

Bilge Pumps:

- Manual bilge pump.
- Electrical emergency pump.

TANKAGE

- All tanks cleaned – 2022.

Fuel:

- Fuel approx. 425L (2 x stainless steel tanks).
- Fuel transfer pump.
- Fuel gages replaced and calibrated – 2025.

Fresh Water:

- Water approx. 550L (2 x stainless steel tanks).

Grey/Blackwater Holding Tanks:

- Holding tanks approx. 110L (2 x approx. 60L stainless steel tanks) deck and sea evacuation.

NAVIGATION EQUIPMENT

- Compass.
- 2 x Multi instrument (Raymarine ST290).
- Speed and depth sensors.
- 2 x Wind instrument (Raymarine ST290).
- Plotter (Raymarine Axiom 9) – 2021.
- Plotter (Raymarine E120).
- Radar antenna (Raymarine Quantum).
- Autopilot (Raymarine) with Mamba drive.
- AIS (True Heading with Wi-Fi).
- 2 x VHF (RAY 240e DSC).
- 2 x VHF speakers.
- VHF antenna and cable replaced – 2021.
- NMEA2000 backbone.

DOMESTIC EQUIPMENT

Galley:

- Gas stove, 2-burners with oven and grill (Force 10).
- 2 x Gas bottles.
- Gas valve remote control.
- Fridge box approx. 92 L.
- Freezer approx. 40 L.
- Microwave oven.
- Corian worktop with twin sinks and a chopping board over one sink.

Heads/Showers:

- 2 x Toilets, manual pump.
- 2 x Shower drain pumps.

Heating & Ventilation:

- Diesel heater (Eberspacher) outlets in all cabins, heads and cockpit.
