Pearl 62 > **U2 BABY**

Price	**€2,200,000 ex. VAT**
Location	Pisa, Italy
Year	2024
LOA	61’1" / 18.61m
Hull Length	57’5” / 17.49m
Beam	17’ / 5.20m
Draft	5’3” / 1.59m (inc. props)
Displacement	36,500kg / 80,469lb
Hull Material	GRP
Engine	2 x Volvo Penta IPS 1200 (900hp)
Builder	Pearl Yachts Ltd.
Designer	Dixon Yacht Design; Int. Kelly Hoppen Interior Design
Accommodation	8 berths in 4 cabins

BROKER'S COMMENTS

Every so often a boat comes along that's simply a cut above, and U2 Baby is one of those. She's Hull 23 of the award-winning Pearl 62 range, a model that has 24 boats globally, with Pearl having refined the build throughout. What sets U2 Baby apart is how she was specified: her owner spent time talking to other Pearl 62 owners before committing to the build and used that first-hand knowledge to option her properly, not just ticking boxes, but choosing what actually makes a difference in real use.

U2 Baby comes loaded. Seakeeper SK9 gyro stabilisation, a hardtop with electric opening sunroof, variable speed bow and stern thrusters, Volvo Dynamic Positioning, 20.5kW Kohler generator (upgraded from standard), Mediterranean-specification reverse cycle air conditioning to every cabin and head, and a full four-screen Garmin electronics suite with 48" open-array radar & AIS. Full specification to below, and it makes for very good reading.

Her sole owner has been fastidious. Every service has been kept bang up to date, she's never been chartered, and with under 150 hours on the clock she is, quite simply, as close to new as a 2024 example gets. Cleaned relentlessly inside and out, and it shows the moment you step aboard. We have some fantastic photography of her in use that does her real justice.

Layout-wise, this is the best owner's suite in class, full beam, with its own separate entrance to the master, alongside three further double cabins. There's a jetski garage too, with the hi-low bathing platform rated to lift a Williams 345 tender.

Step out of the sun and into that Kelly Hoppen "Luxury" interior scheme and the whole boat just calms you down, dark, cool, beautifully finished, exactly when you need it having spent the day on the water. And she performs as good as she looks. Twin Volvo Penta IPS1200 pod drives push her to a genuinely effortless 24-knot cruise, sipping around 10 litres per nautical mile, with a 32-knot top end on tap when you want to prove a point. That kind of balance between economy and outright pace tells you everything about how well this hull has been engineered.

The only reason she's on the market is that her owner is stepping up to something larger, which is, frankly, a gift for the next owner. A genuine turnkey 60ft flybridge yacht in immaculate condition, ready for her next owners.

PRESS COMMENTS

Motor Boat & Yachting – August 2020:
"The four-cabin 62 is a triumph of packaging with a show-stopping interior and effortless cruising legs."
"… this is Hoppen's finest Pearl interior to date, treading the line between invention and practicality to perfection."
"From the lower helm, the experience is church-quiet, refined, and smooth ..."
"... impressive value in this sector, yet shows no sign of corner-cutting; one look inside the engine room and it's clear this is a boat that has been put together properly."

Extras on Pearl 62 U2 BABY, Above Standard Specification:

- 2 x Volvo IPS 1200 (900HP).

- Volvo Dynamic Positioning system.
- Proportional (E Series) speed bow and stern thruster.
- Upgrade from standard 13.5KW Kohler to 20.5KW Kohler generator.
- Seakeeper SK9 gyro stabiliser.

RCD Status: The yacht conforms to the essential safety requirements of Directive (2013/53/EU as appropriate (Recreational Craft Directive) and is categorised B – "Offshore" for max. 15 persons including luggage at a total of 1175kg.

Hull, Deck & Superstructure Construction:

- Hull, deck and superstructure of PVC or equivalent cored fibreglass.
- Vinylester hull laminates and epoxy barrier system applied to hull bottom, with five-year warranty.
- Bi-axial and multi-axial E-glass reinforcement.
- Hull and superstructure in white gel coat finish and black waterline stripe in gel coat.
- Gelcoat coloured detailing on flybridge, hardtop, cockpit, and foredeck in silk grey & dark grey.
- High speed deep-v planing hull profile by Dixon Design.
- Synthetic teak decking with black caulking.

MACHINERY

Engine & Gearboxes:

- 2 x Volvo Penta IPS1200 drives, using Volvo Penta D13 900HP turbocharged 6-cylinder 12.8L diesel engines.
- Pod-drive with contra-rotating forward-facing propellers.
- Integrated IPS underwater exhausts.

Maintenance & Performance:

- Maximum speed: approx. 32 knots.
- Cruising speed: approx. 24 knots.
- Range @ cruising speed: approx. 260 Nautical miles.
- Volvo D13 / IPS serviced in June 2026; Engine oil and filters; full flow and bypass Fuel pre-filter and fine filter Sacrificial anodes; heat exchanger and charge air cooler Reverse gear; oil and filter change.
- Commissioning and servicing carried out annually and in accordance with Volvo Penta main dealer.
- PRT ENGINE: 139 hours (dated 13-08-2026).
- STB ENGINE: 139 hours (dated 13-08-2026).

Propulsion & Steering:

- Joystick docking with high power mode & DPS.
- Side Power variable speed bow thruster & stern thruster.
- Electronic steering for IPS.
- Dual station electronic controls.
- Volvo Interceptor trim tabs.

Engineering:

- Parker Racor main engine fuel filters.
- Parker Racor generator fuel filters.
- Custom made generator exhaust silencer and water separator.
- Engine room intake fans with auto emergency shut down flaps.
- Engine room extraction fans fitted with shut down dampers linked to Seafire system.

Hydraulics:

- H&B technics hydraulic bathing platform laid with teak.
- H&B technics hydraulics for garage door.
- Opacmare hydraulic passerelle, with handrail on starboard side.

ELECTRICAL SYSTEMS

Voltage Systems:

- Integrated Applied Marine Automation AC/DC electronic control system.
- UK 240V AC sockets throughout.
- 63AMP dockside shore power connection.

Batteries (Wired In Series & Parallel):

- Engine starting: 4 x 140 AH AGM batteries.
- Domestic Batteries (Two banks): 6 x 210 AH AGM batteries.
- Bow thruster & anchor winch 2 x 260 AH AGM batteries.
- Stern thruster 2 x 260 AH AGM batteries
- Generator starting: 1 x 105AH AGM battery.
- Emergency VHF battery: 1 x 40ah 12V AGM battery.

Cathodic Protection:

- Volvo Active Corrosion Protection.
- 2 x MG Duff zinc anodes, sacrificial anodes connected to ships bonding system.
- Individual sacrificial anodes for bow thruster, engines, pods, and bathing platform.

Battery Chargers:

- Victron Skylla-i 24/100 3 outputs battery charger for 24V circuits.
- Victron Centaur battery charger for bow thruster and anchor winch.
- Alternator split-charging system.
- Victron Blue Smart charger for generator.

Inverter:

- Victron 24V 240V Inverter (24/4000) with Easy View 5 display at AC/DC panel. Inverter wired to the Galley sockets, Microwave oven, Seakeeper, all TV's and bed side sockets.
- Isolation switch.

Generator:

- Kohler 20.5KW 3500 generator with auto start.
- Remote digital gauge in the saloon.
- Servicing of the generator (June 2026).
- GENERATOR: 254 hours (dated 13-08-2026).

Seakeeper:

- Seakeeper SK9 Gyroscopic stabilizer.
- Hydraulic braking system.

Other Electrical:

- Applied Marine Automation AC/DC electrical system with remote breakers.
- Volvo interceptor trim control.
- Headhunter 24V DC X-Caliber water pump.
- Lewmar V4 24V anchor winch with foredeck & helm controls & anchor stop.

- Electric horn, Deluxe Dual Trumpet 24V 123dB.
- Exalto windshield wipers.
- Marinco search light, precision wireless-controlled spotlight, 24V, 100W.
- Quick MAXIBAR overhead lighting.
- Chelsom wall and bedside reading lights.
- Illuminated wardrobe hanging rails.
- Tank level monitoring (Fuel, Fresh water, Black water).
- IMCO marine LED navigation lights.
- Side power SE210, 24V bow thruster.
- Volvo easy connect.
- Low Level LED deck lights for cockpit, side decks & flybridge.
- Lewmar C3 24V capstan stern winches.
- 4 x Quick foredeck pop-up lights.
- 4x surface-mount Lumitec SeaBlaze twin colour light underwater lights.

PLUMBING SYSTEMS

Fresh Water & Water Heating System:

- Torrid water heater 20 Gal with heat exchanger / heating element.

Bilge Pumps:

- 4 x Rule, 2000 GPH 24V DC automatic bilge pump system fitted with high water level alarms and override switches at each helm.
- 2 x Rule, 3700 GPH 24V DC automatic bilge pump, fitted with high water level alarms and override switches at each helm.
- Manual bilge pump in the engine room.

TANKAGE

- Diesel fuel tank: 591.72 imp gal (2690 litres), tank is integral to hull of boat.
- Fresh water tank: 182.60 imp gal (830 litres).
- Black Holding tank: 110 imp gal (500 litres).

Black Water Holding Tank System:

- 3 x Tecma silence Plus toilets (with integral 24V macerator) feed into holding tank or overboard discharge.
- 500ltr holding tank.
- Jabsco 24V macerator pump.
- Deck pump out with 38mm pipe.
- Holding tank charcoal filter.

Grey Water System:

- 3 x RULE 24V shower drain boxes with integral pump connected to shower and sink units, pumped overboard.

NAVIGATION EQUIPMENT

- 4 x GARMIN GPSMAP 8616 VOLVO PENTA MFD (2 at lower helm & 2 at upper helm).
- GARMIN Fantom Radar in black.
- GARMIN AIS.
- GARMIN GMI 20 Marine Instrument Display.

- GARMIN Auto pilot reactor pack displayed on Garmin helm screens.
- GARMIN GHS 11i VHF Remote handset and active speaker at upper helm & lower helm.
- GARMIN Transducer, DST 800, plastic Thru-Hull (speed, depth, temperature).
- Compass - Ritchie flush mount 3¾ dial (upper & lower helm).
- 4 x GARMIN CCTV Marine Camera integrated into GPSMAP screens.

DOMESTIC EQUIPMENT

Galley:

- Miele Ceramic 4-ring touch-control induction hob.
- Miele Combination Microwave/oven/grill.
- Dometic HDC 275 Full height Fridge/freezer.
- 2 x Evo-Line pop-up electric socket.
- Miele Slim-line Dishwasher.
- Indesit Washer / Dryer (master cabin).

Flybridge Wet Bar with the Following Appliances:

- Kenyon Electric Bar-B-Q.
- Custom built cool box.
- Sink with folding hot & cold-water tap.
- Isothem drinks fridge.
- Vitrifrigo icemaker.

Heating & Ventilation:

- Mediterranean spec reverse cycle chilled water air-conditioning system with smart start.
- Engine room intake fans with auto emergency shut down flaps.
- Engine room extraction fans fitted with shut down dampers linked to Sea-fire system.

ENTERTAINMENT

Saloon:

- 1 x Fusion Apollo RA770 Series Touch Screen Multi Source entertainment system stereo head unit, fitted at lower helm, linked to cockpit remote and saloon speakers.
- Samsung 43" Smart 4K Ultra HD TV with sound bar on a rise & fall lifter.
- 4 x Fusion SG-772W 7.7” audio speakers.
- 1 x Fusion Channel Signature Series Amplifier D-Class.

Cockpit:

- 1 x Fusion MS-SRX400 remote unit linked to lower helm Fusion head unit.
- 2 x Fusion SG-772W 7.7” audio speakers.

Flybridge:

- TV Aerial SCOUT Cruiser.
- Am/FM aerial (Pacific LR pro-series).
- 2 x Fusion SG-772W 7.7” speakers.
- 1 x Fusion MS-SRX400 remote unit on flybridge.
- 1 x Fusion Channel Signature Series Amplifier D-Class for flybridge.

Foredeck:

- 1 x Fusion MS-SRX400 remote unit on foredeck.

- 2 x Fusion SG-772W 7.7” speakers.

Lower Deck:

- Owners cabin: Samsung 43" Smart 4K Ultra HD TV.
- Owners Cabin: 2 x pair of Lithe Audio Bluetooth speakers (allows Bluetooth connection for audio streaming).
- Forward VIP cabin: Samsung 32" Smart 4K Ultra HD TV.
- Port Guest Cabin: LG 24" Smart HD TV.
- Starboard Guest Cabin: LG 24" Smart HD TV.

ACCOMMODATION

Interior:

- Kelly Hoppen interior design scheme: LUXURY.
- Carpets fitted to the lower cabins & saloon.
- Amtico (Blackened Oak) wood effect flooring fitted to saloon & galley / dinette area.
- Seaview venetian blinds fitted to all cabins, galley, and dinette.
- Seaview pleated blinds fitted to forward cabin.
- 2 x side chairs for dining table.
- Coffee table for saloon.
- 2 x Besenzoni APACHE front flip seats fitted at the lower helm.
- Pleated blinds fitted to port and starboard lower windows of saloon.
- Aft door curtain.
- Port & starboard guest cabin slide out section on bunks to make single double.

Exterior:

- Synthetic teak decking with black caulking.
- Self-draining cockpit.
- Trend Marine custom-made flybridge screen.
- Upholstered seating areas with stowage under.
- Teak dining tables (natural finish) with stainless steel pedestals.
- Upholstered port & starboard aft seating.
- Stainless steel aft safety rails with glass panelling.
- Radar arch structure.

DECK EQUIPMENT

General:

- Synthetic teak decking with black caulking fitted to flybridge, cockpit, transom, bathing platform, side decks & foredeck.
- Teak table in cockpit, flybridge & foredeck.
- Open-cell foam used on all exterior upholstery with Spradling Diamante fabric.
- Wet bar with draining grooves.
- 2 x Besenzoni Stealth manually adjustable helm seats on flybridge.
- Self-draining anchor chain locker / fender stowage.
- Trend Marine Sargasso flush-fit opening port lights.
- Trend Marine hull glass - Euro Grey.
- Trend Marine superstructure glass - Euro Grey Reflective.
- Whale Twist (hot & cold) transom swim shower.
- Trend marine stainless steel folding patio door with electrically operated window to the side.
- Flybridge hard top with Makefast electric sunroof, topside canvas, and underside mesh.
- Pantograph side door from lower helm.

Anchoring, Mooring & Deck Equipment:

- Stainless steel pulpit and handrails.
- Stainless steel ensign pole and socket.
- Stainless steel fuel, water and pump out deck fillers.
- Stainless steel stern cockpit gate with Pearl logo.
- Custom made acrylic flybridge windscreen with stainless top section.
- Lewmar 70 forward cabin flush hatch.
- Custom made flybridge hatch.
- Custom made cockpit to engine room deck hatch.
- Ultramarine Stainless steel anchor with flip’n swivel connector with 3m stainless steel = 40m of 12mm galvanised chain.

Covers, Canvas & Cushions:

- Full set of exterior anthracite canvas covers.
- Cockpit canopy enclosure with roll up straps.
- Anthracite privacy screen.
- Set of mesh screen covers for forward & side screens.
- Open cell foamed external upholstery.

Equipment Fitted/Supplied Loose On-Board:

- 6 x Black PVC fenders.
- 4 x Mooring lines.
- 1 x Telescopic boat hook.
- 1 x Hose (in engine room).
- 1 x Armstrong telescopic swimming ladder fitted to the bathing platform (re-boarding ladder).
- Portable basic toolkit.
- Digital Safe in the master cabin.
- Razor socket 240/110v, fitted in heads.
- Pearl crockery & cutlery set.

SAFETY EQUIPMENT

Fire-Fighting Equipment:

- Manual fuel shut-off valves located in the Emergency Locker near patio door.
- Seafire NFD950M engine room fire extinguisher linked to the engine room extraction fans, de-misters, and engine ignitions.
- Engine room intake fans with auto emergency shut down flaps.
- Engine room extraction fans fitted with shut down dampers linked to Seafire system.
- Portable fire extinguishers in each cabin, cockpit, wet bar & helm areas.
- 3 x Gloria 2kg ABC powder extinguisher.
- Fire extinguishers portable extinguishers in each cabin, cockpit, wetbar, helm.
- Heat & smoke detectors throughout.

MAINTENANCE COMPLETED JUNE 2026

- 2 x Coats of antifoul applied.
- Anodes replaced.
- Servicing of the engines.
- Servicing of the generator.
- Polishing and waxing of the exterior.
- Exterior cushions cleaned.
- Teak cleaning ready for the season.
- Interior detail clean.
- Stainless steel polishing.
