Beneteau Oceanis 54 > **FIORELLA II**

This is a superb package from the Beneteau yachts range. FIORELLA II is a Beneteau Oceanis 54 from 2021; she ticks all the boxes for fun family cruising, both locally and further afield if desired. Above deck, she sports wide, clear decks. With the option of a slightly overlapping or self-tacking headsail and in-mast reefing, commanding her sail plan is simplicity itself. The spacious guest cockpit is well sheltered, as the sprayhood links with the mainsheet arch. With twin wheels and all lines leading aft, the yacht is set up to be managed easily by a small crew or couple. There is a full complement of excellent B&G instrumentation to keep you on track. Along with an abundance of deck stowage, the yacht also features a drop-down swim platform and a dinghy garage. Below deck, the yacht has a distinctly modern feel that is bright, airy, and pretty sharp, featuring three double cabins (with the owner's cabin forward) and two WCs with separate shower stalls. There is a well-equipped galley to port aft, relaxed seating and a chart table to starboard, and bench seating with a saloon table to port. What sets FIORELLA II apart is that she was well-spec'ed from the outset, well-maintained, lightly used, and is immaculately presented - as evidenced in the current photograph catalogue. She represents a superb package to get family and friends afloat, with little to do but drop the lines and go.
