Nautor Swan 68-021 > **TITANIA**

TITANIA, like all of the other Swan 68s, was built to the highest of standards by Nautor and features the now-classic lines from Germán Frers. TITANIA is a highly capable offshore performance sailing yacht and is equally at home on the regatta circuit. While she is large enough for crew to be comfortably accommodated, she remains quite capable of being an owner-operator family cruising yacht. As one of the later Swan 68s, TITANIA is only in her second ownership since new. She features a custom keel for improved performance and flush deck hatches that were fitted by Nautor themselves. This gives her a more modern look, which has been backed up by a recent and extensive refit with Berthon, including a full service of her systems, a rebuilt generator, new batteries, and the replacement of all her seacocks. Her standing rigging is also recent, meaning she is now fully ready for her new owner.

Price	£695,000 UK VAT paid
Location	Gosport, Hampshire - UK
Year	2000
LOA	69'4" / 21.13m
LWL	54'9" / 16.68m
