Displacement	2,803kg / 6,180lb
Hull Material	GRP
Engine	1 x Yamaha, 350hp
Builder	Pursuit Boats
Designer	Pursuit Boats

BROKER'S COMMENTS

UNFETTERED is a great example of the very popular Pursuit DC265. Dual console bowrider boats are super popular and give a great combination of a wide protected cockpit together with maximum walk-through social areas fore and aft and an enclosed head. It has all the features that people want for enjoying their time on the water.

A seating area forward, and fold out seats in the cockpit coamings make this boat versatile for either entertaining, or with the built in live well, it is a great fishing platform as well. There is an enclosed head compartment on the port side with an unused electric head.

Elegant grey hull color, that has just been fully compounded and waxed, an integrated hard top and single Yamaha 350 giving economy speed and reliability. There are fitted covers for the bow area and the stern section, and also a Fisher fitted canvas winter cover.

UNFETTERED has been yard maintained and used in the summer months in Jamestown RI. Loved and cared for by a diligent owner who is selling in order to buy a larger boat.

2021 Wesco dual axle galvanized trailer available for sale.
