Accommodation	4 berths in 2 cabins

BROKER'S COMMENTS

The Sealine C430 cruiser maximizes its flagship length with versatile design options and luxurious features. Offering 2 or 3 cabin layouts, with the port guest cabin configurable with single or double beds, there is a layout to please the most discerning of buyers.

The owner's cabin is positioned forward, with the 2-cabin version offering the option of either a huge centerline berth with full walk-around or a scissor berth. Each option comes with a settee and ample hanging lockers in a full-beam layout. Alternatively, the 3-cabin layout comes with the centre line owner's cabin option forward and two aft cabins: one double and one twin.

The helm deck boasts a wrap-around seat with a high/low dining table opposite the helm station. The full-width galley, positioned aft, ensures easy access for entertaining. Wide glass doors seamlessly connect the interior to the cockpit, which features a rear seat/sunbed, and a cockpit table. A retractable bimini covers the cockpit and a sliding sunroof covers the helm area.

The yacht's single-panel forward window, expansive side glass, and large cabin windows ensure excellent visibility throughout. Additional features include a sliding door beside the helm station, and up forward there is the availability of a sun pad, and forward-facing deck seat at the bow.

As with all Sealines, the C430 offers a wide range of wood, finishes, fabrics, and an extensive options list. Power choices include twin Volvo 380hp or 440hp diesel engines with IPS pod drives, delivering joystick-controlled manoeuvrability and a top speed of up to 33 knots with the larger engines.

The Sealine 430 is an excellent choice for family and friends to enjoy a great times on the water. Call us to see how we can customise one for your exact needs!
